**Simsite® Impeller for HAMILTON Jet 273**

Dear Mr. Spektor,

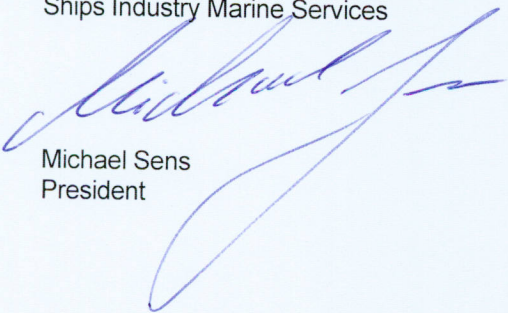

Regarding to your request we confirm the life time of nine years of the Simsite® Impeller for HAMILTON Jet Type 273, our PO 20000302 from 6/26/2000.

The Simsite® Impeller was installed on MV "KOMET" into HAMILTON Jet Type 273 end of year 2000. On the last inspection 2004 we confirmed the very good condition of the Simsite® Impeller.

The Simsite® Impeller is still running up to August 2009. The experience is good.

Best Regards
